Miss ~~G. Greenwald~~

In all my school days (at W.H.S.)
I've never met a teacher whom
I've liked, as much as you.

Your classes were a vacation
compared to others.

If they had a home-like atmosphere
to them, where one did as he pleased.
Me

Pleasant memories will always
linger as I leave school for good.

Good Bye
Thas of A Hunt

Dear Miss Greenwald,

Of all the teachers I have had you are the most friendliest. I have enjoyed having you teach me history and I also have enjoyed having you for my home-room teacher. I only wish that I could have you for one of my subjects next year. you have been ~~very~~ nice to me and I will remember it forever.

(P.S.) Have a good time on your vacation.

Dear Mrs Greenwald: (This is The TRUTH)

You are the best teacher I have ever had. I think you are the nicest too. You treat all the kids wonderful and tho you think they do not appreciate it they really do. All the kids like you very much.

I will always remember how nice + swell you were to me.

Have a good vacation + please remember me.

Love + Kisses xxx

Muller Krazur

least I think you do. You're a fine sport in everything! You really understand us children better than most teachers. I'll always remember 6th period in my Junior year as one of the best classes in high school

as always

BETTE BOLAND

Dear Miss Greenwald;

I have had a lot of fun with you this year, I think you are one of the nicest teachers a pupil can have. I have also enjoyed having you as a homeroom teacher. Have a lot of fun during the summer months.

always remember me,

Dear Miss Greenwald,

I've had a lot of fun in your history class and I wish I could be in your homeroom again next year.

You are one of the nicest teachers I know and one of my favorites.

Be good Miss Greenwald and have a nice summer.

Please stay as nice as you are although I know it's hard because your students are sometimes very hard to get along with.

Remember me always,

Sheila Hunt - "53"

I have had a lot of fun in my story class just in one place. We will be on a trip to this summer so I will just stay with all the happy thing you want to know what I will be doing. You took a lot from me.

P.S. don't forget I'm here for one more year.

Don Mike

Dear Miss Green
 In my book you will rank as the top teacher. I'll write to you this summer and maybe you can give me some pointers on how to be a good history and civics teacher. Before I took American History, I was doubtful as to what I would like to teach, but now I'm sure if I become a teacher, I would like to teach the social sciences.

Dear Miss Greenwald.
 We have had loads of fun in History and we like the way you teach. Best of Luck to a swell teacher and friend.
 Dallas Barnes

Miss Greenwald,
 I think you're a fine teacher! Sorry I didn't study harder.

Don Glass

Dear Miss Greenwald
 Best wishes to a wonderful history teacher.
 Yolanda

I think you are
the greatest teacher we
have in Whiting. I hope
we didn't keep you awake
too many nights at Pat's
house.

REFLECTOR

I'll always remember
you as one of my favorite
teachers please remember
me.

Love,
Loretta Turner

Dear Miss Greenwald:

Well, it's my turn to
write in your book. The
kids have said a lot of
nice things about you
and all I can add is
that you swell, and
I've enjoyed every minute
of you in our history
class.

Dear Miss Greenwald:

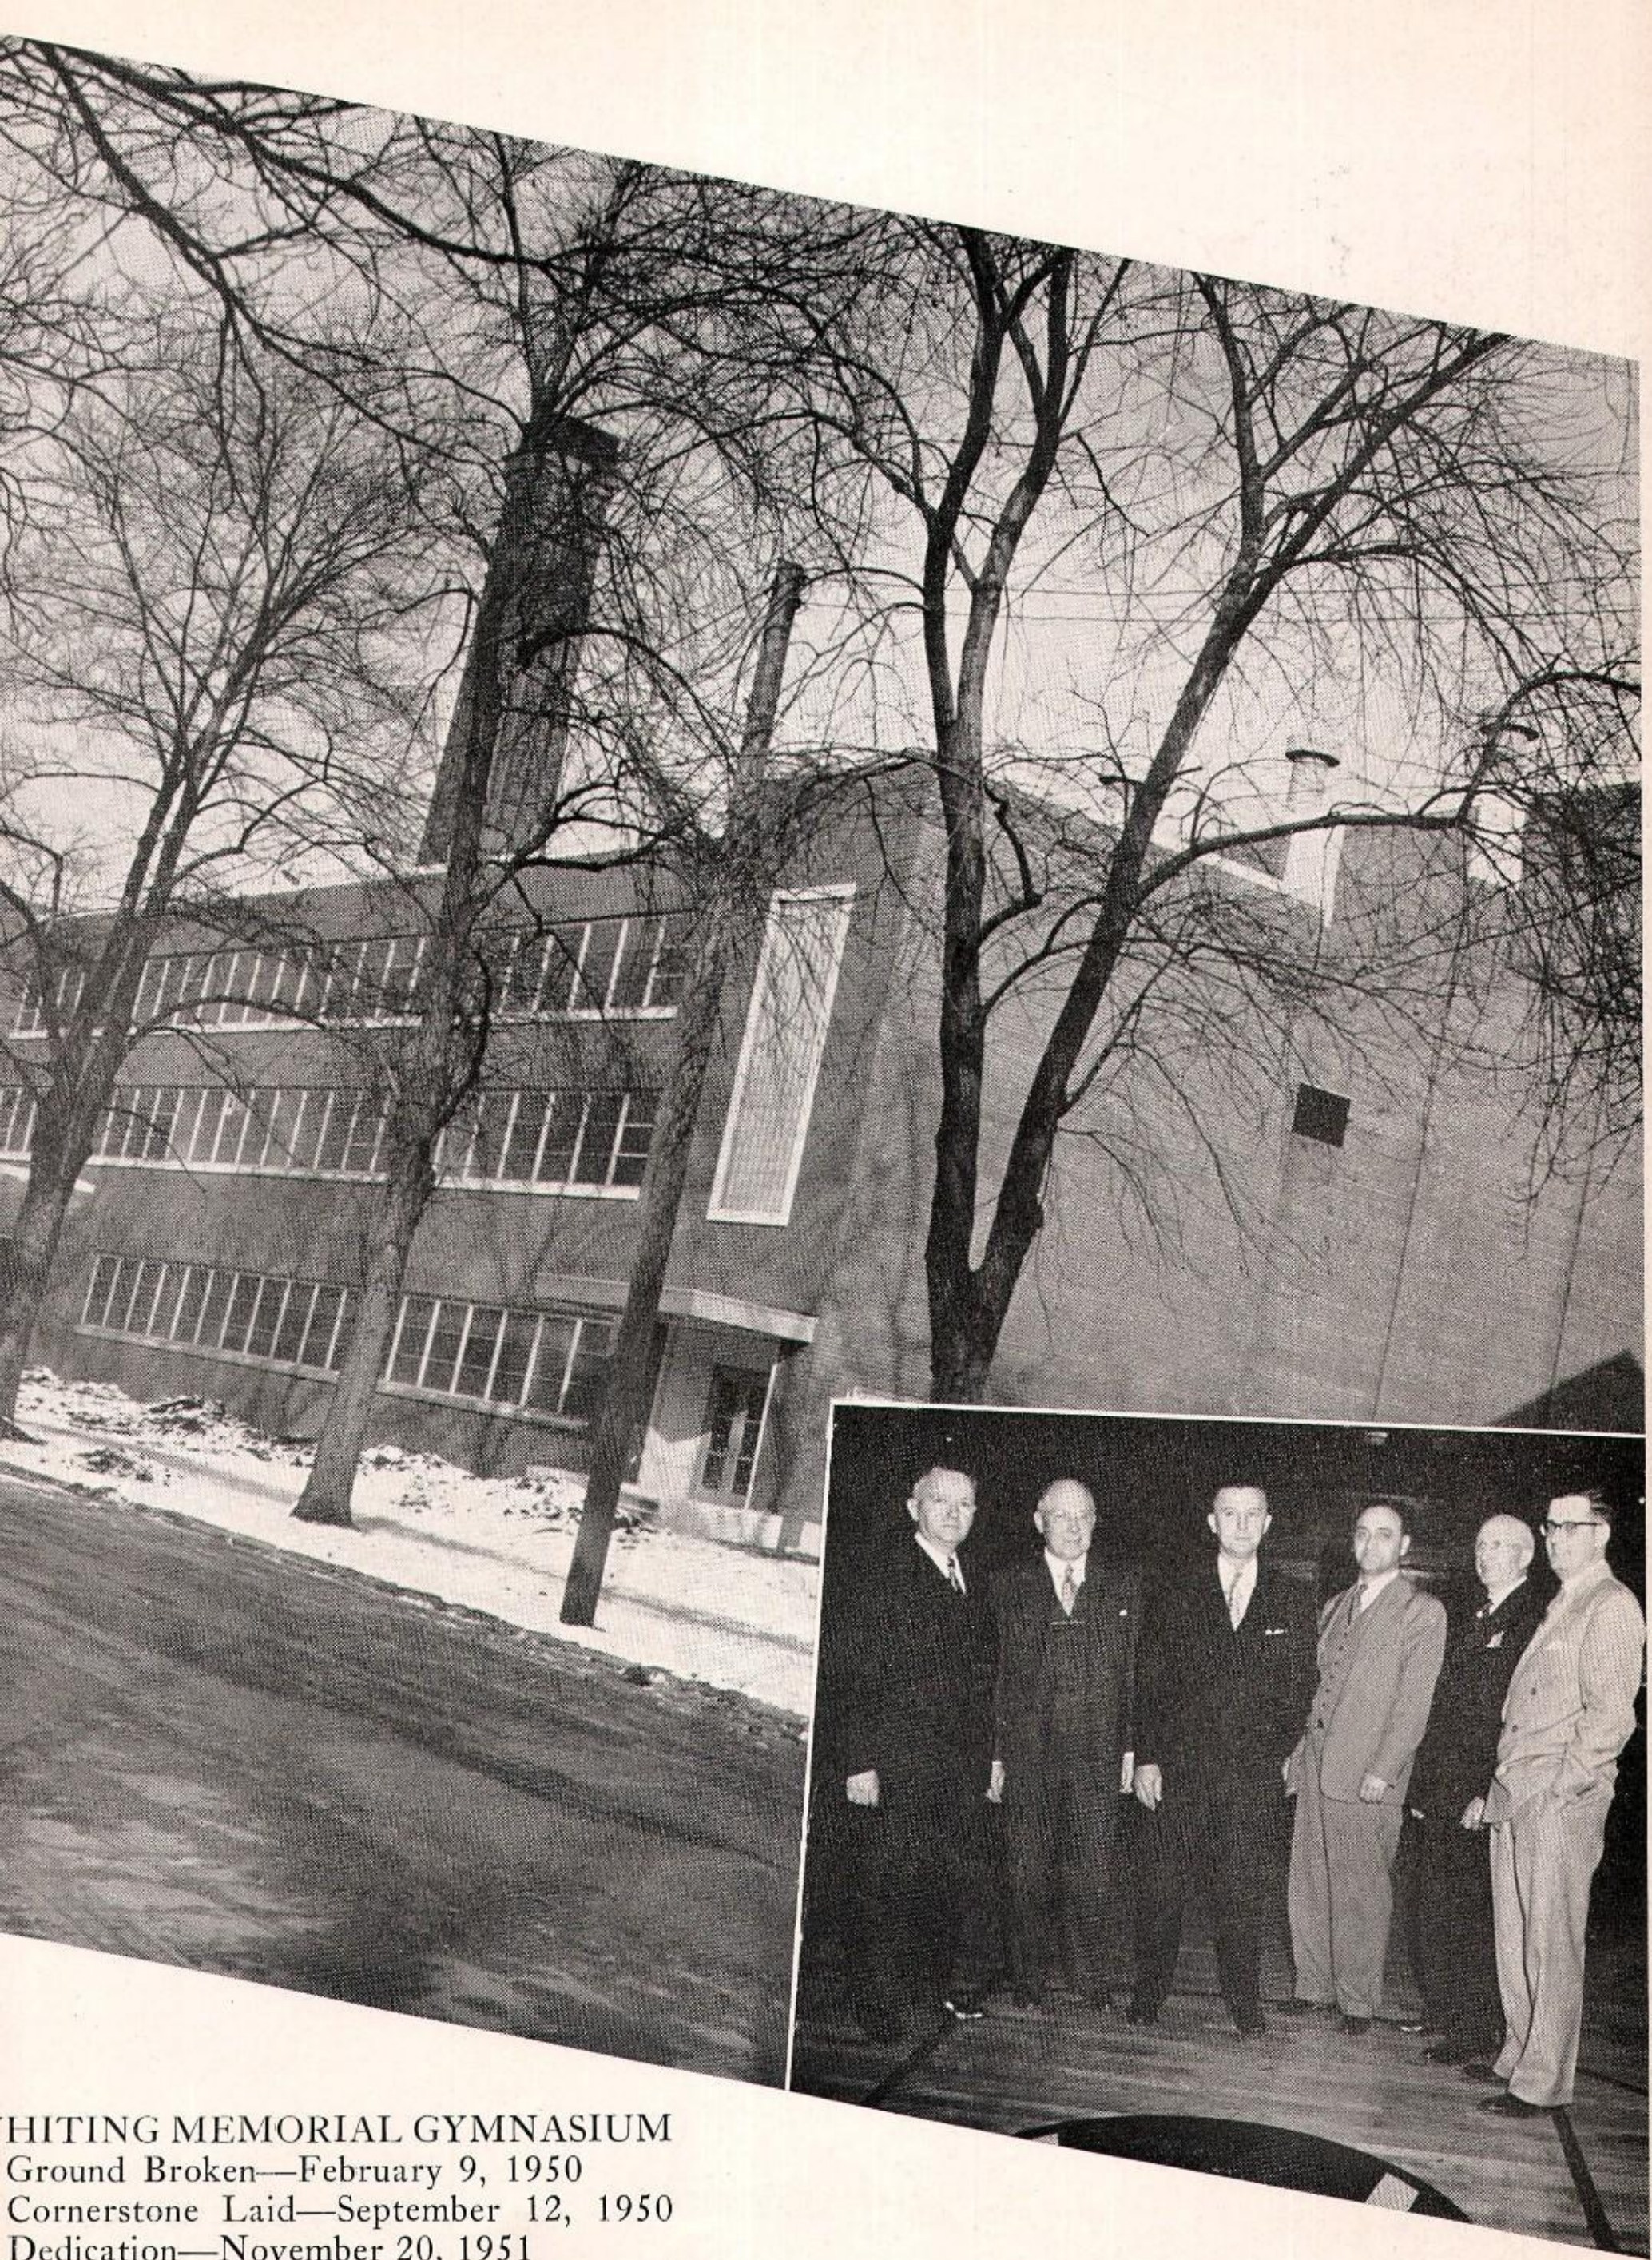

I'm not kidding when
I say that you're the
sweetest teacher I have
ever known. You seem
to be so much closer
to the students than
anyone else. I hope
you teach at Whiting
for a long, long time,
and someday, I'll
come back to see
you.

I'll remember
you always.
Please remember
me as your pal.

Love,

Dedication

To the memory of those Indians who bravely fought a losing battle for the land they loved and their human rights, we hereby dedicate this book.

It is the aim of the Class of '52 to gain a better understanding and knowledge of other nations or "tribes" and thus prevent further warfare like that of past centuries.

AUTUMN

The sun sets in the west, a beautiful red;
Multi-colored leaves on trees aren't yet dead.
Air, crisp and cool, means winter is drawing nigh;
Wind whistling through trees is a baby's sweet cry.
Twilight is falling; night is near;
But autumn still lingers, flaming time of the year.

Dear Miss Greenwald,
It's been all my pleasure
to be in your class. I hope I
haven't caused you any trouble.

The early American Indians chose from their tribe braves and maidens who were outstanding in honor, bravery, service, character and leadership and honored them.

Today, we have a similar method of honoring those students who have outstanding qualities and personalities, those who are able leaders in our school and those who have shown their ability as good scholars. This group of persons is known as the National Honor Society.

Miss Greenwald had a sweet letter to me five years ago, but I wish I had a letter from you. May I wish you all the best in the future. Thanks for the help in the N.H.S.

Librarians Peruse The Books

The Library Club, sponsored by Miss Ruth Espenlaub, was organized to promote an interest in literature, one of the finer arts.

Any interested student may become a member of the club after paying her dues.

Among the various activities in which the club members participate are trips to different libraries, movies, and parties.

One of the high lights this year was the Lake County Girls' Conference, which was held in Whiting's Memorial Gym.

First semester officers were Theresa Bonchik, president; Judy Adzima, vice-president; Rosemary Perunko, secretary; and Nancy Carroll, treasurer.

Second semester officers were Shirley Cavness, president; Loretta Turner, vice-president; Mary Jane Bodnar, secretary; and Janet Grayson, treasurer.

Instead of sending up smoke signals and using tom-toms, the students of Whiting High School make their news known through "The Tattler", the school's bi-weekly newspaper.

Susan Dudas headed the staff as editor-in-chief under the supervision of Miss Ane Marie Petersen, adviser.

The staff members attempted to present the best in news items, sports coverage, editorials, and features.

"The Tattler" is hand-set in type in the school by the print shop class under the direction of Mr. B. J. Vesely.

The journalism class served as cub reporters, gathering and writing news stories.

J. Vesely, print shop supervisor, instructs the second period g class.

Shirley Cavness and Evelyn Liland, circulation managers, and Jim Stone, exchange manager, prepare Tattlers for mailing.

The Great Historians

The nineteen little Injuns of the 1952 Reflector staff commenced work shortly after the school year began on the Tribal Chronicle for the year. Miss Ane Marie Petersen, adviser, assisted her redskins in editing a book they hope will be treasured throughout the ages.

The theme that was chosen for the 1952 yearbook was Indian, as you have probably guessed.

Bruce Russell, president; Mr. Thomas Faulkner, sponsor; Mr. Jack Taylor, sponsor; Norman Koch, secretary-treasurer, of the Bowling League are pictured preparing for another match.

For the first time in over a decade, Whiting High School this year organized a Bowling Club. With the help of two sponsors, a group of boys not out for major sports organized under the direction of Bruce Russell as president and Bob Pulliam as secretary, the originators of the idea.

After first experimenting with practice games, the averages of individual members were used as the basis of choosing teams.

The new club filled a definite need in the extra-curricular activities of Whiting High.

WINTER

*In the deep of night the snow comes drifting down;
By dawn a covering of white has blanketed the town.
Clear icicles hang from eaves troughs everywhere,
And quietness hovers about like a prayer.
Winter has come to reign at last;
The glory of autumn is a thing of the past.*

Soon after the bump and bruise season was over Coach Peter Kovachic found the hardwood biting his boys as they celebrated the opening of our new Memorial Gymnasium with a 60-38 slashing of crosstown rival, Clark.

Keeping pace, the Green and White skipped down to Fowler to snatch a 52-50 win in the last few seconds.

The Oilers suddenly hit a cold night and found themselves in the middle of the milky way as Thornton Fractional's Meteors flew by with a 40-33 upset.

Hammond Tech's Tigers furnished the team with a nice kill as the Oil City Five feasted on 53 points to their 48.

The Blue Devils of Froebel fell before the oil train as the home team won another close one 35-32.

Next on the throbbing pipe line was Gary Horace Mann. The Horsemen couldn't keep up and were drowned out in a 54-46 win, the Oilers' third straight in conference play.

Whiting's first holiday tournament proved a big success as they captured the trophy. Le Birkett's Tech Tigers met the Oilers again and for the second time the green and white emerged on top, this time 54-43. East Chicago provided the next opposition with their Rough Riders, but the Kovachic men came through 53-42. In the finals, Whiting met for the second time this year the Clark Pioneers, who were outfought and defeated finally 43-41.

Resuming the regular season Whiting was immediately set back by Hammond High, 52-50. This afterwards proved the turning point of the season as only .471 ball was played from this point on.

The green and white hit the victory trail once more and chalked up their ninth victory eleven starts by downing Griffith, 54-48.

Tolleston set the Oilers back with the low game of the season as they came through, 47-27.

The Oilers set back Dee Kohlmier's Michigan City Red Devils, 55-46 to bring the season record thus far 10-3.

The hardwood cagers then found out you can't beat 'em all the time as Clark finally got their stride to win, 50-46, for their first in three starts against Whiting thus far.

To make up for the Clark loss, the Oilers rampaged against the Valpo Vikings, 63-48 for a big upset and set their conference mark at 4-3.

Mishawaka dealt another loss out of the deck by downing the home team, 65-53, after our enjoyable bus ride on the way down there.

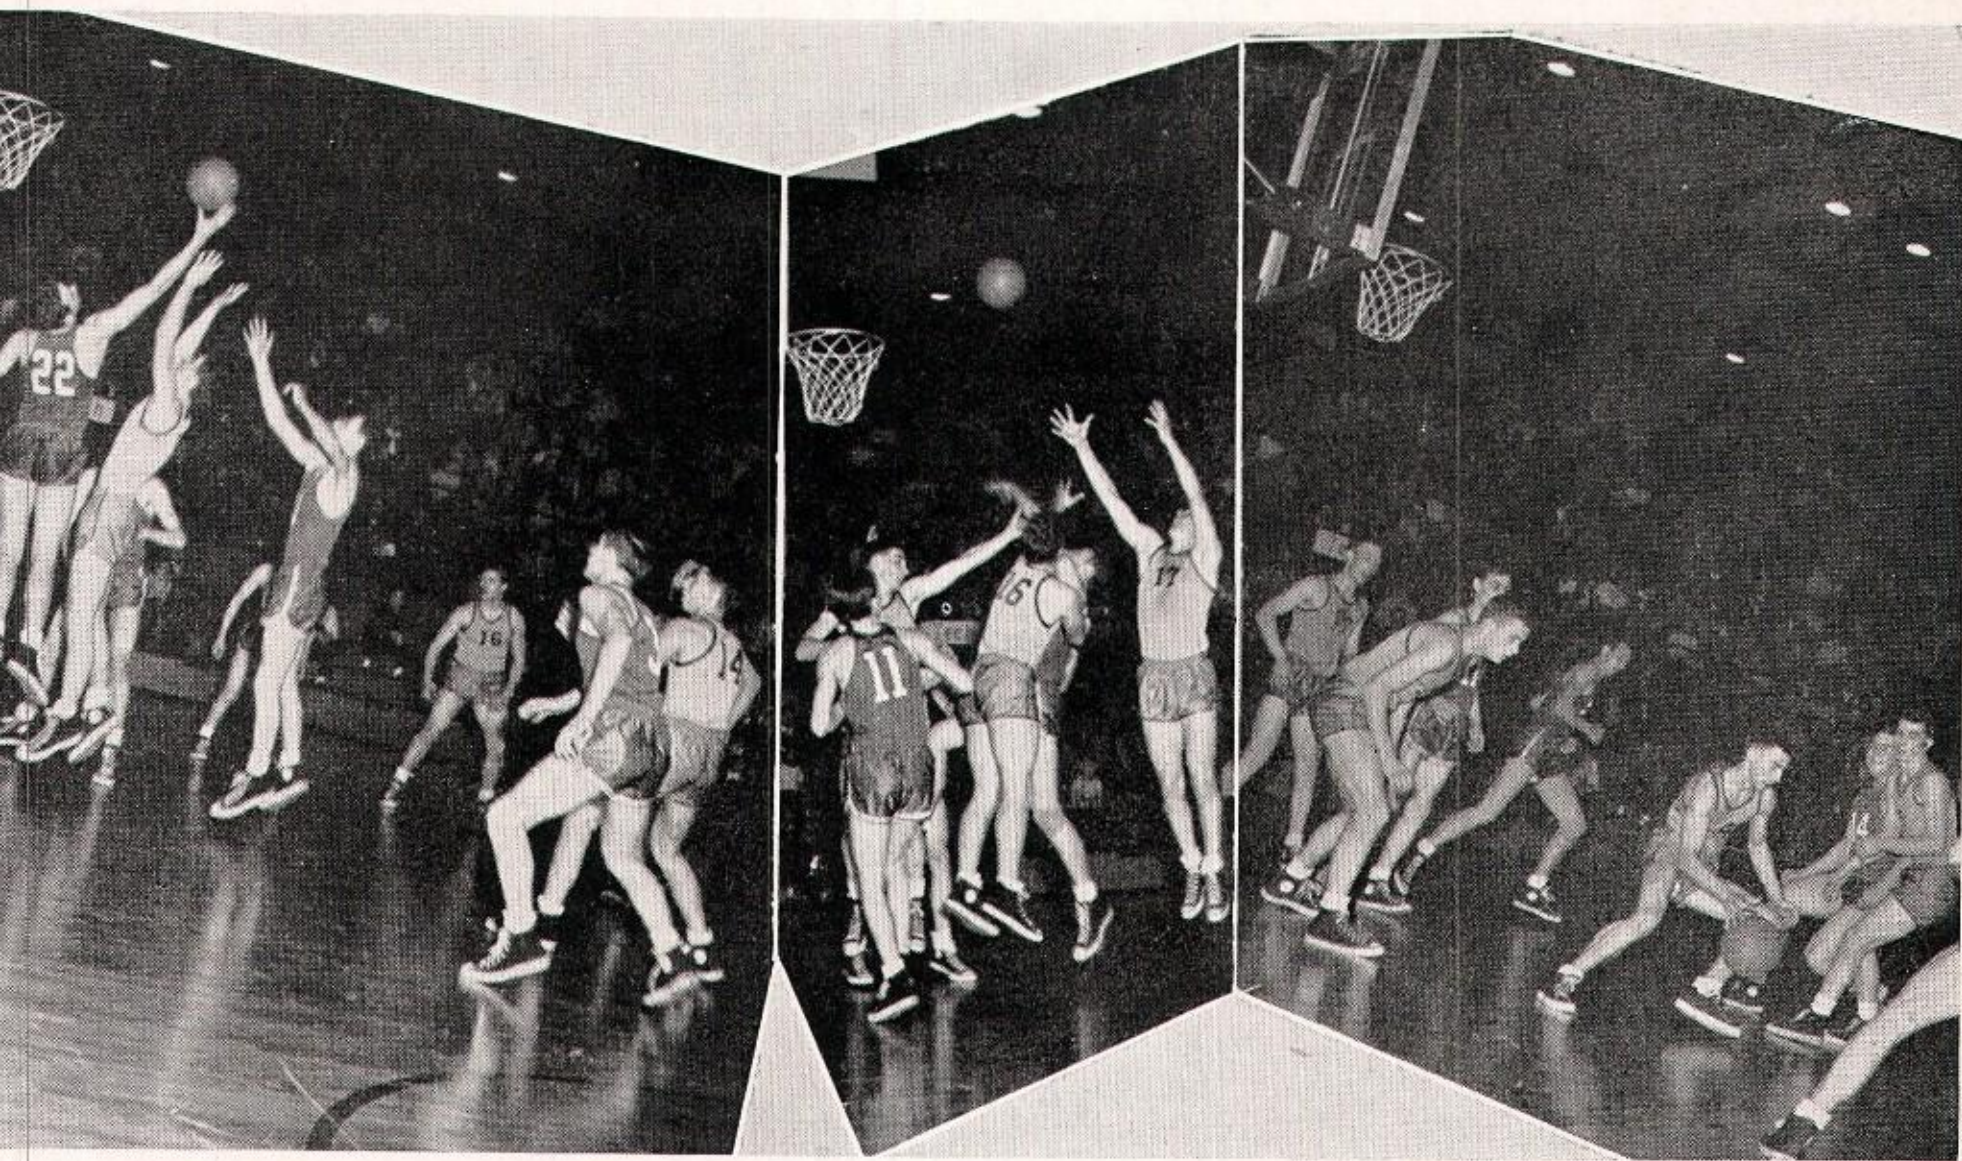

In the next game, the green and white came through with a victory over rival East Chicago Roosevelt, 53-42.

Gary Edison proved the next attraction as the green rolled on to their second straight win, 66-58.

The worst defeat of the season and many a year came at the hands of a boy whom the class of 1952 will remember for years as he scored 36 of the 81 points that Lew Wallace's Hornets amassed as they submerged Whiting, 81-44. The boy was Joe Capua.

East Chicago Washington then also played cat and mouse with the Oilers for three quarters before pouring it on, 62-47.

Luck was also void in the Sectionals as Whiting's bitter, cross-town rivals beat them, 51-45 in the last five seconds of play. In all respect, it must be admitted that W.H.S. played good ball against Clark this year.

Dear Miss Greenwald:
I couldn't have asked for a better director and I hope I was a credit to your long hrs. May next year's play be just as successful.
Love, Sam

The first all-school play of the 1951-52 school year, "Meet Corliss Arches", was presented on November 16, in the school auditorium. The play was the story of the trials and tribulations of the modern teen-ager. Corliss makes up an imaginary diary and Cousin Agnes reads it and naturally thinks the worst. Corliss is in the bad graces of the family but finally is sent to the hospital for an appendicitis operation, thus finding out that her parents still love her. She is not, however, sure of Dexter and puts on a deathbed scene upon her return. Dexter convinces her of his love and the play ends happily.

Leaving the world filled with glorious light.

SCOUTS

Before an Indian boy was considered an adult, he was sent to the forest to prove his readiness for that phase of his life.

We, as "green freshies" entering high school, felt the same way as those Indian boys must have felt when they entered the forest, that is—until we made new friends and got into the swing of activities. To head the freshman tribe, we elected Evelyn Liland, president; Dave McLaughlin, vice-president; Mary Sandoval, secretary; and James Stone, treasurer.

The climax of our first high school year came with the "Freshman Frolic", the freshman prom.

HUNTERS

With Bruce Russell as president during our sophomore year, we enjoyed "Paradise Isle", the sophomore prom, when we danced in a Hawaiian-decorated gym.

"Dreamers' Holiday" was the theme of our all-school dance.

Other officers for the sophomore year were Harriet Greer, vice-president; Dave Grenier, secretary; and Wylene Wunder, treasurer.

Dear Miss Greenwald,
Even if I had a
dictionary, I couldn't
find the words to
express my sincere
thanks for all that
you have done for me
I sincerely mean it
when I say, you're the
sweetest and most under
standing teacher I have
ever known. It has really
been a pleasure to know you
I never forget all that
you have taught me about
some of the things that
really matter in life.
Remember me,
Jean

PLANTERS

Highlighting the junior year was the Junior-Senior Prom, "Stairway to the Stars", when the upperclassmen danced to the music of Mickey Isley beneath a star-studded sky.

Presiding over the Junior class was Susan Dudas, assisted by Bob Jarman, vice-president; Dolores Thompson, secretary; and Jim Stone, treasurer.

TRAIL BLAZERS

And then—the year we had been waiting for finally arrived. We elected Bob Jarman, president; Frances Dvorsack, vice-president; Mary Sandoval, secretary; and Bruce Russell, treasurer.

The "dignified" class of '52 had loads of fun playing musical chairs and blowing balloons at the Hallowe'en party.

As the first class to graduate from Whiting Memorial gymnasium, we ended our school days on June 4, 1952.

WE SEEK MORE TRAILS

Like the Indians who came back triumphantly as adults, we shall leave as adults. We have been luckier than those Indians, however, for we had assistance from some of the best. We are especially grateful to our own sponsor, Miss Alice Jenkins, fondly known as A. J.

What we become and how far we go in life will be the result of the education we received at good ol' Whiting High.

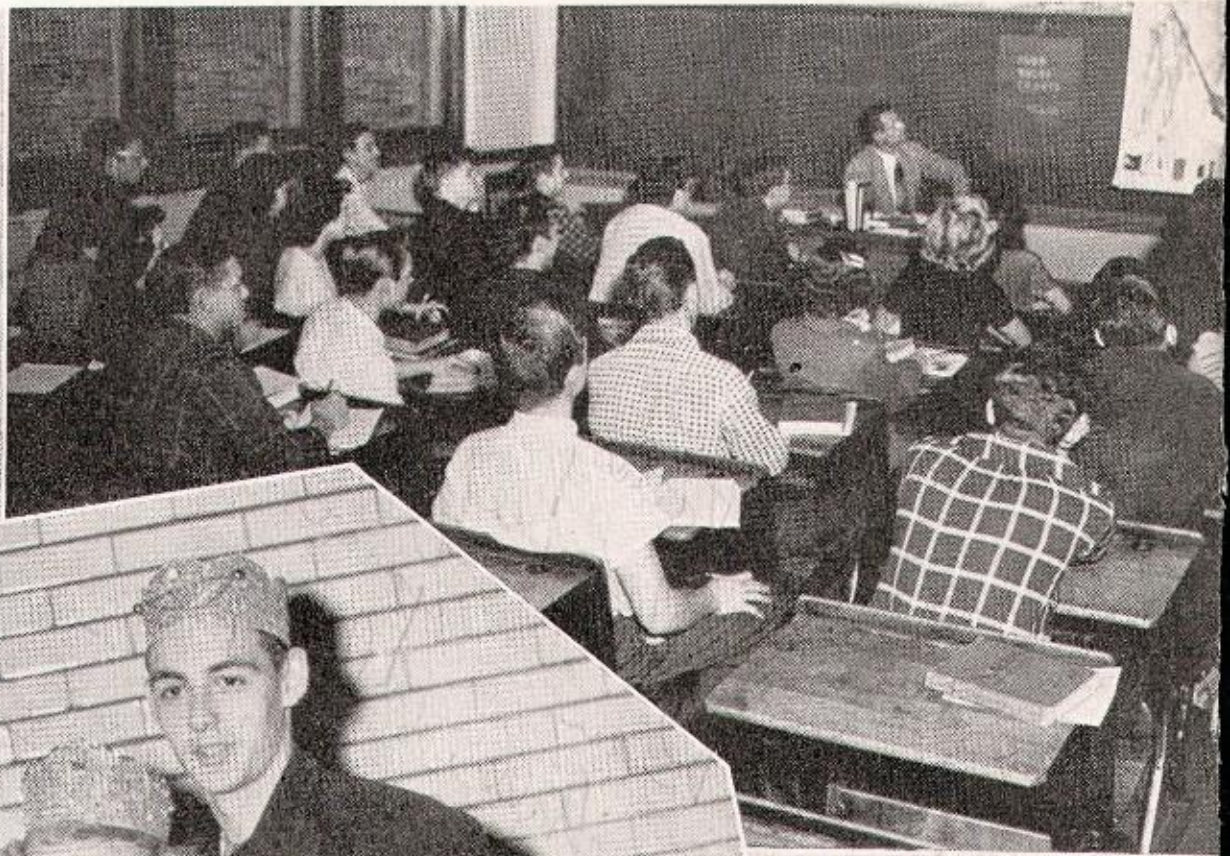

Class Officers: Mary Sandoval, secretary; Bruce Russell, treasurer; Frances Dvorsack, vice-president; Bob Jarman, president.

Our Alma Mater

GOOD-BYE

*The time to bid farewell will soon arrive,
And towards dreams of the future each will strive.
Our days were filled with friendships dear,
Filled, too, with memories that will be ever near.*

*The parties, the games, the dances,
The notes we passed with knowing glances,
These were all part of our high school days.*

*The time spent each day in class,
The report cards and hopes that each would pass,
These, too, were part of our high school ways.*

*But now that graduation looms near at last,
It seems that the years have too quickly passed;
We'll not forget friends as we go our separate ways,
And we'll always remember our fun-filled high school days.*

Dear Miss Greenwald,

This has been my best history class I have ever had. You are one of the nicest teachers I have ever had. I hope you will get to travel to some of the places you would like to see.

Love,
Elizabeth Rame

Dear Miss Greenwald,
Since the first time I had you as a teacher in seventh grade (or was it eighth?) I thought you were a well teacher. This may not be my last year but I won't have you as a teacher any more so I hope you have the best of luck and will always remember me.

Miss Greenwald)

Ever since my first school play I've always wondered what it would be like to be in your history class. I sure did not find out all the time it takes to learn anything about history.

Parkview Foods

I would like to say that in all four plays I've ^{GROCERIES} been in I really had a great time. ^{MEATS - FRUITS - VEGETABLES} Besides all the work it took to memorizing the lines and go through the routine I think the years I spent in ^{FROZEN FOODS} ^{LINN'S BAKERY GOODS} ^{we school} will be remembered as much as dramatics. I hope that in my senior year the Thespians will be a success.

Aside from this I would like to say that through the Thespians I really found out the importance of character. I would like to thank you for the advice you have given me and I hope I will come through in my senior year.

P.S. I would like you to know that ^{BUILDING MATERIALS} for the first time in my life I have found a teacher ^{Phone 491} who I could confide in as a friend.

My dear Miss Greenwald,

This year has been one of the happiest for me, as it was this year that I became a Thespian. I can't begin to thank you for all the helpful suggestions you've given me in my acting. I'm counting on putting them all to use in that fall play. You a swell teacher and the thing I admire most is your patience.

Dear Miss Greenwood

As I am going to say this, I want to say
with the idea that you will believe me.
Undoubtedly, you are the sweetest and most
understanding teacher I have ever had. I have
prayed every moment I have ever spent in
any of your classes. I believe that if we had
more people like you teaching, the attitude
of the entire student body would change. You
have been really wonderful. I will always
remember you, though I may forget the
years. I want to wish you the best of luck
and have many more successful and prosperous
years of Teaching

Sincerely yours
John J. Lenninen
